

H13 true HEPA 3-stage filter

compatible with breeva A2, breeva A2 Wi-Fi

Compatible With:breeva A2,breeva A2 Wi-Fi

Introduction

H13 true HEPA 3-stage filter

compatible with breeva A2, breeva A2 Wi-Fi

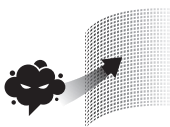

Pre-Filter

Filter large airborne particles such as dust, hair, pet fur, etc.

True HEPA Filter

H13 High-Efficiency HEPA Filter, capable of filtering PM2.5, bacteria, pollen and other fine particles.

Activated Carbon Filter

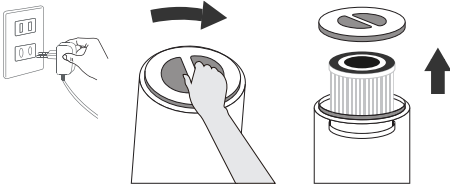

Effectively absorb and decompose formaldehyde, toluene, TVOC, other gaseous pollutants, and absorb odor.

Replacing the Air Filter

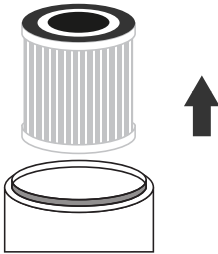

H13 true HEPA 3-stage filter lasts from 3-6 months (up to 2160 hours). When the Replace Filter Indicator turns yellow, it indicates that the Filter has been used for 1920 hours. When the indicator turns red, it indicates that the Filter reaches its maximum limit (2160 hrs). When the Replace Filter Indicator starts flickering, you should change the filter as soon as possible to keep your unit purifying properly.

Dismantle the H13 true HEPA3-stage filter

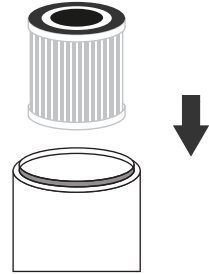

1. Unplug the air purifier. Flip the air purifier over and remove the filter cover.

2. Remove the old air filter.

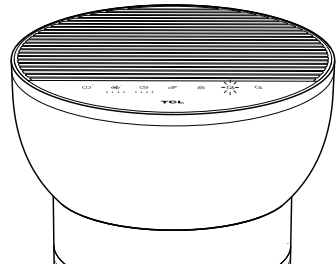

3. Clean out any remaining dust or hair inside the purifier using a vacuum hose. Do not use water or liquids to clean the purifier. Unwrap the new air filter and place it into the housing.

4. Replace the cover and cap. Then, plug in the air purifier.

5. Press and hold the Filter Indicator button for at least 3 seconds until the Replace Filter Indicator lights turns off.

Customer Support

We are devoted to your 100% satisfaction and would like any feedback on our product and service. If there is anything that did not meet your expectation or you have any questions regarding your new product, please contact us via www.tcl.com without hesitation.
